

DR. LANGSAM WELCOMES 450 TO COLLEGE

Approximately 450 freshmen students at Gettysburg College were present Monday evening for the annual service held in Christ Chapel as part of the orientation week program for the newcomers to the college.

Dr. Walter C. Langsam, president, told the youths, "You are entering a partnership with us by coming here. You or your parents decided on a college education and you, or they, chose Gettysburg. We received your application, processed it carefully and decided we would like to have you here with us. Others were rejected. So for the next four years, more or less, you will be a part of the on-campus Gettysburg family.

Privileges, Obligations

"This brings with it many rights and privileges as well as obligations and responsibilities. You are coming to an institution that is nearly a century and a quarter old, an institution that was the first Lutheran College in the United States, the first independent college to have an ROTC unit, a college with 8,000 living graduates throughout the world, many occupying top positions in the church, industry, politics, the military, teaching, law, medicine, engineering and a host of callings.

"The primary purpose of your visit here is formal education. There is made available to you here a splendid cultural offering, but you must be receptive and willing to take advantage of it and work over it. I am not suggesting that you turn yourselves into bookworms, merely that you not glorify intellectual loafing. Transcripts are important in later life, in graduate school and business, and transcripts carry only good grades.

Urges Active Students

"Secondly, develop your personality further by participating, as much as is good for you, in any of our more than 60 extracurricular clubs, societies and activities.

"Thirdly, learn to use the library and set aside some time each week to read for the fun of it. You will never again have as much time to read as now. Put another way, include some good books among the new friends you make.

"And further, do not be hesitant about getting some guidance.

"Finally, try to set up and maintain a right relationship with God. Where the will of God and the will of the individual clash there is trouble and frustration. Where they coincide there is comfort and happiness."

Today the students are taking part in general achievement tests, meetings, discussion groups and, this afternoon, an outing. The series of tests, discussions, trips, etc., will continue through Thursday when the college will officially open.

BENDERSVILLE APPEALS HEARD

Thirteen of 14 Bendersville residents appeared this morning before the Adams County Commissioners on appeals from the new assessment.

Also attending the hearings were Chief Assessor William G. Weaver and Bendersville Assessor Arthur W. Kuntz. Seven additional Bendersville appeals were heard this afternoon after which the commissioners will hear six appellants from Berwick Twp.

Wednesday approximately 30 residents of Cumberland Twp. are scheduled to appear before the commissioners for hearings.

The hearings are part of approximately 600 scheduled for this month and the early part of October.

Grand High Priest Will Visit Lodge

Past High Priests night will be celebrated by Good Samaritan Royal Arch Chapter Thursday night at the Masonic Hall at which time Daniel Roberts, Reading, Most Excellent Grand High Priest of the Grand Holy Royal Arch Chapter of Pennsylvania, will make an official visit.

Preceding the meeting, a dinner will be served in honor of Mr. Roberts at the St. James Lutheran Church at 6:30 o'clock. The Past High Priests of Chapter No. 266, Good Samaritan R. A. Chapter, will be guests.

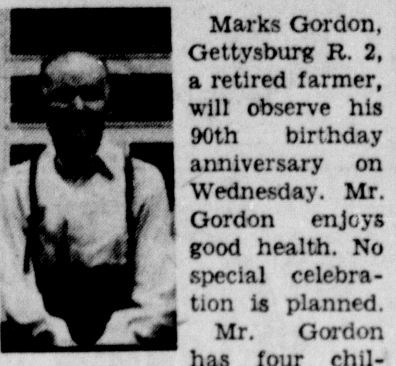

START NURSE'S TRAINING

Miss Jean Hull, daughter of Mr. and Mrs. John Hull; Miss Virginia Koonitz, daughter of Mr. and Mrs. Roy Koonitz; Miss Nadine Stites, daughter of Mr. and Mrs. W. E. Stites, and Miss Barbara Waltman, daughter of Mr. and Mrs. Henry E. Waltman, all of Littlestown, left Monday to begin training as student nurses at Garfield Memorial Hospital, Washington. They were accompanied by their parents.

MORTAR, PESTLE STORY TOLD BY DR. BRITCHER

The pharmacist's mortar and pestle are getting only infrequent use these days and the patient is getting more for his money, Frank N. Britcher, local druggist, told the Rotary Club at its meeting in the YWCA Monday evening.

A pharmacist since 1910, Britcher recalled changes made in the use of drugs in the last 40 years. "The drug business has changed four times since I started," he observed.

Modern drugs, particularly penicillin, have made possible quicker cures and lessened the cost of illnesses and the dangers of additional complications, he said. "While the new drugs may seem to cost more, actually they are cheaper because less medication is required, the length of illness is briefer and in some cases expensive surgery and lengthy periods of recuperation are avoided. As an example, you seldom hear of mastoid operations today. The infections that led to mastoids are cured so quickly now that the surgery required to remove the mastoid is seldom needed now."

"Homemade" Pills Replaced

"Pneumonia and other diseases that once involved a lengthy illness and the taking of large quantities of drugs, now are comparatively quickly cured."

Preparations made by the big drug houses have replaced to a large extent the "homemade" pills rolled by the pharmacist. The pills, made to doctor's prescriptions, took a lot of time, as Britcher demonstrated to the Rotarians, showing the equipment involved in making the pills by the druggist.

BILLBOARDS ARE NEARING COMPLETION

Gettysburg's new billboards, welcoming visitors to the community and describing the battlefield here, will be completed within the next few weeks, it was announced Monday evening at a meeting of the Travel Council held at the Cyclorama.

President L. E. Smith expressed the appreciation of the Council to Carl Scheidte and Glenn Little, who have "worked like beavers," he said, to arrange the placing and construction of the signs.

Cost of the materials for the signs was borne by the service clubs of the community, while the signs were constructed and placed by members of the Travel Council who donated their time for the effort. Approximately 20 men appeared each "work night."

Three Boards Placed

Three of the eight-foot high, 20-foot-long billboards have been placed on the Emmitsburg Rd., Lincoln Highway West and Lincoln Highway East, and within the next few weeks the other two, on the Baltimore Pike and the Harrisburg Rd., will be completed.

O. G. McPherson will paint the signs which will bear the insignia of the four service clubs of the community and the insignia of the Travel Council. That emblem adopted Monday night is in the form of a keystone.

The council had hoped to secure donations of land on which the signs are placed but a rental fee of \$15 per year for each site was approved.

An additional 1,000 bumper strips were ordered for distribution this fall.

Plan "Goodwill" Tour

Plans were outlined for a "goodwill" tour through the northeastern part of the state by 30 Gettysburgians. Chambers of Commerce along the route indicated their desire to serve dinners to the travelers. Gettysburg literature will be distributed. Each person making the trip will pay his own expenses.

The council offered for sale at cost, \$1 per hundred, 25,000 envelopes with a "Gettysburg Invites You to Visit" insignia on the face. The council hopes that residents of the town and business places will purchase the envelopes and use them (Continued on Page 2)

M. D. D'TAR IS HOST TO 350 AT AERO CO. PARTY

More than 350 persons attended the "President's Party" at the Hanover Country Club Monday commemorating the 25th anniversary of the founding of the Aero Oil Company. President M. David DeTar was the host.

The clubhouse was decorated with a number of baskets of flowers sent to the company by associated business firms and other friends. A huge green floral piece, ten feet wide and five feet high, graced the front of the fireplace. Large silver letters were inscribed across its front, "Congratulations, President Dave."

Guests started playing golf in the morning. Uniformed caterers, in jeeps, traveled the course serving sandwiches and beverages.

The buffet table was attractively decorated and filled with a wide variety of food. There were two centerpieces made of clear ice. One was a three foot piece with the numerals "25" and the other was a vase, containing fresh flowers.

War "Buddies" Attend

Two of Mr. DeTar's "buddies" who served with him at Camp Colt here during the first world war attended the affair with their wives. They were General and Mrs. Harry H. Semmes, of Rockville, Md., and Washington, and Mr. and Mrs. Wilson Sweat, of Charlotte, N.C.

Each woman guest was presented with a large white chrysanthemum, brushed with silver. Ira Bowman's orchestra furnished music throughout the afternoon and evening.

Approximately 800 attended the employee picnic at the Adams County Fairgrounds near East Berlin. Employees and their families were guests of the company. Box lunches were served.

BOOKMOBILE MAKES FIRST TRIP TODAY

The schedule for the Adams County Free Library's new bookmobile, which begins today, has been released by Mrs. Mary S. Wilson, county librarian. Eight routes have been laid out, with the bookmobile to cover each route once every four weeks. The date of the first visit is listed with each.

Trip VIII—Sept. 28: Round Hill, Victory, Mechanicsville, State Road, Harbold's, Blackberry, Miller's, York Springs Elementary, York Springs High, Whitcomb's View, Wierman's Station.

GOP Candidates Are Coming Here

Lt. Gov. Lloyd Wood, Republican nominee for Governor, and five other candidates for state offices on the GOP ticket will spend two hours in Gettysburg Monday. GOP Chairman John H. Basehore announced today.

The campaigning Republicans will arrive here at noon and will meet county voters in front of the court house. A luncheon at the Hotel Gettysburg will follow.

Baby Expires Two Hours After Birth

Richard Lee Corbin, son of Mr. and Mrs. Jack R. Corbin, 218 York St., died Monday afternoon at the Warner Hospital, two hours and 24 minutes after birth.

He is survived by his parents, his paternal grandparents, Mr. and Mrs. Harry Weigart, of Highspire, and his maternal grandmother, Mrs. Helen Walton, Highspire.

Graveside services and interment will be held this afternoon at 4 p.m. at Highspire Cemetery, Highspire, with the Rev. Ralph Bergstresser, of St. Peter's Lutheran Church, Highspire, officiating.

Robert C. Smith Promoted In USAF

Robert Chester Smith, son of Mrs. Mary E. Smith, Aspers, R. 1, has recently been promoted to the grade of airman second class in the USAF. He has been in service two years and is currently serving as an installer cableman with the 4418th Communication Group, at Donaldson Air Force Base, Greenville, S. C. Smith attended Biglerville High School, and was employed at a tile mill before entering the Air Force.

CENTENNIAL OF YWCA WILL BE OBSERVED HERE

Plans for local observance of the centennial of the Young Women's Christian Association and a number of other special events on a busy fall calendar for the local YWCA were discussed at the September meeting of the association's board of directors Monday evening in the "Y" building. Mrs. Frank H. Kramer, the board president, presided.

Reporting for the Program Committee, Mrs. Clarence Smith told of plans for an open house at the local YWCA building Saturday evening, Sept. 25, at 8 o'clock with complete plans for the event to be announced later.

Mrs. Smith also told of plans for Y-Teen Roll Call Week October 10-16, observance of United Nations Day on October 24 and for an Electors' Assembly. She said other special events are planned for later in the year and early 1955.

Going to Washington

The World Fellowship committee, headed by Mrs. John S. Rice, announced a national YWCA centennial service to be held Sunday, November 7, in the Cathedral at Washington with plans to be made for a local delegation to attend. Names of the local persons who expect to attend should be given to Mrs. Rice.

Observance of the centennial nationally and locally, she said, will stress increase in membership, emphasis on the stated purpose of the YWCA and the raising of an endowment for extension work.

The Public Affairs committee, Mrs. Albert Blackburn, chairman, announced plans for open discussion meetings of current topics. The first will be conducted Wednesday morning at 10 o'clock with the topic to be "International Peace." The meeting is open to anyone interested.

Restoration Fund Grows

Mrs. Wayne Keet, reporting for the House Committee, said the fund for the restoration of the dormer windows at the "Y" has met with "encouraging response" but is not altogether completed. Plans for making the improvements are going ahead, she indicated.

LEGION WILL INSTALL NEW OFFICERS OCT. 4

New officers of the Albert J. Lentz post of the American Legion will be installed October 4. Commander Paul E. Anzengruber announced Monday evening at a meeting of the post at its home on Baltimore St.

Installing officer will be Paul B. Fox, former commander of the Albert J. Lentz post, who will be installed as district commander of the American Legion at a ceremony Friday evening, September 24, at 8:30 p.m. at Shiloh American Legion post in York County. Fox will be commander for the district embracing Adams, York and Franklin Counties.

Plans were outlined Monday for a large attendance by members of the Albert J. Lentz post at the Shiloh meeting to attend Fox's installation. Add 14 Members

Plans for American Education Week, November 7 through 13, were discussed following the reading of a letter from Department Commander Sherman W. Mason, Jeannette, Pa., head of the state American Legion, calling for all posts to arrange for observance of the week.

Plans for the Gettysburg Hall-Loewen program were outlined, with the Lentz post arranging participation by its members in the event. September 16 was announced as the date for a dinner to be held for the softball team sponsored by the post.

Fourteen new members were accepted into the post. They include: Maj. Gen. John M. Weikert, Bethesda, Md.; Robert C. Mallett, W. Middle St.; John A. Gladys, W. Lincoln Ave.; Charles R. Moser, Baltimore St.; John J. Eck, Littlestown R. 2; George J. Wolfe, Plaza Building; Robert O. Cochran, York College; Burtham W. Martin, Seven Stars; David L. Roseborough, Pittsburg; James M. Lockard, E. Middle St.; Dale H. Kepner, Baltimore St.; O. W. Reale, Gettysburg, R. 1, and Louis P. Wahl Jr., Bendersville.

Maine Elects Democratic Governor To Steal Spotlight From Nine Primaries Today

By THE ASSOCIATED PRESS

Maine, solidly Republican for two decades, elected a Democratic governor yesterday to steal the political limelight from nine other states holding primaries today.

Voters in the nine states are picking party nominees for 5 Senate and 92 House seats and for 6 governorships. This will just about wind up selection of candidates to run in the Nov. 2 elections for control of the next Congress. New York State conventions and Rhode Island primaries later this month will conclude the preliminaries.

But it was the Maine election—traditionally held two months before those in the other 47 states—that attracted most of the political attention.

Test On Eisenhower

Edmund S. Muskie, 39-year-old Democratic national committee member, ousted GOP Gov. Burton M. Cross in voting which Vice President Nixon had described in advance as "the first statewide test of the Eisenhower administration program."

Nixon had campaigned for the GOP ticket during a brief vacation in Maine, urging "an even greater majority than ever before" to herald Republican victories in the other 47 states in November.

With all but 44 of the state's 626 precincts reporting, Muskie led 126,698 votes while Cross had 106,345.

Republican Sen. Margaret Chase Smith and the state's three GOP House members all won re-election, although veteran Rep. Robert Hale had a narrow squeak.

Mrs. Smith led Democrat Paul A. Fullam, a political newcomer and Colby College history professor, by 132,618 votes to 93,350 in 580 precincts. With her election to a second term assured, Mrs. Smith said she hopes her triumph "will give impetus to a national trend in November for the election of a Republican Congress for President Eisenhower."

14 YOUNGSTERS IN "RETARDED" UNIT; NEW SITE

Fourteen youngsters, between the ages of six and 16, began "school" Monday in the Adams County Day Care Center for Retarded Children, at a new site.

The school, conducted last spring, with four students as a "start," formerly was held in the Sunday School rooms at the Presbyterian Church.

This year the center has opened in the former Gettysburg Female Academy building on E. High St., just west of the county library, better known as the Sorority House, from its use by the Beta Sigma Phi Sorority for the last several years. The sorority recently voted to share its quarters with the day care center and the unit moved into the structure Monday.

Appeal For Donations

Among the 14 students there today are the four who became the first students to attend such a school last spring. An additional "two or three" are scheduled to begin the classes within the next day or so.

Mrs. Marjorie Routson, the teacher, and her assistant, Mrs. Edward J. Barnes, today made a plea for donation of additional articles to help the school. "Desperately" needed are new toilet facilities. Without them the state may withdraw approval of use of the structure. Also needed is a new back door for the structure. Also needed is a new stove. Currently an oil stove is there. The teachers are hoping that gas connections can be made to the structure and that possibly a gas heater can be installed by winter. The present stove is a danger to the youngsters as presently situated because they can touch it and may be burned. Some arrangements will have to be made to place a protective covering about the stove or (Continued on Page 2)

BLUE PARROT PURCHASED BY LOCAL COUPLE

Mr. and Mrs. Paul E. Anzengruber, Mummansburg St., today announced that they have purchased the Blue Parrot Tea Room from James A. Aumen.

The establishment will be opened by the new owners Thursday morning. Anzengruber said that the policies will be much as those followed by Mr. Aumen during the ten years in which he conducted the business. The Blue Parrot was closed recently when Mr. Aumen decided to withdraw from the business because of his health.

Mr. Anzengruber, a veteran of both World War II and the Korean War, is commander of the Albert J. Lentz American Legion post and for the last 13 years, with time out for war service, has been employed at the York Corporation as a production scheduler. He has resigned his York position in order to devote full time to his new business venture. A special policeman here for 11 years, he is also resigning that post.

On Firemen's Committee

He served as assistant to the general chairman for the 91st Battle Anniversary program held here by the Gettysburg Fire Department this summer and is a member of the general committee for the Hall-Loewen program to be held here next month.

Mrs. Anzengruber has been employed as a waitress at the Hotel Gettysburg for a number of years. Mr. and Mrs. Anzengruber said that Clarence A. Claybaugh will serve as a general assistant in the operation of the tea room. The restaurant is located in the Chambersburg St. building owned by C. T. Ziegler, Springs Ave.

MOUNT OPENS 147TH SESSION

Mount St. Mary's College, Emmitsburg, opened its 147th academic year with a solemn high mass at 8:30 o'clock this morning in the college chapel. Msgr. William F. Culhane, vice president of the school, was the celebrant. He officiated in the absence of the president, Msgr. John L. Sheridan who is enroute to Rome. Rev. Fr. Francis Carney, dean, delivered the sermon.

The entire student attended the services.

Classes began at 11:10 o'clock this morning.

Present enrollment figures show 185 freshmen, 27 sophomores, 116 juniors, and 82 seniors. Students come from 3 continents, 16 states, the District of Columbia, Puerto Rico, and the British West Indies. South America, Mexico, Japan, and China each have one student in attendance. Forty Korean veterans are in attendance at the college.

For the first time in forty-two years, Msgr. Sheridan, president of the college, missed opening exercises. He sailed for Europe on September 9 aboard the liner Andrea Doria for a Marian year pilgrimage during which he will be present at the ordination of Rev. Philip Barrett, North American College, Rome, who will return to the Mount St. Mary's faculty.

Col. Thomas Nixon Retires From Army

Colonel Thomas H. Nixon, a native of Gettysburg, reviewed the troops at Camp Roeder, Austria, before his recent retirement after 36 years of Army service.

Assistant to the commanding general of U. S. Forces in Austria, Col. Nixon was accompanied by his wife and son during the ceremonies. Holder of the Distinguished Service Medal, Legion of Merit with Oak Leaf Cluster and Bronze Star Medal with Oak Leaf Cluster, Nixon was a member of the 1918 class of West Point.

He attended Gettysburg College before entering the Army.

GRID PROSPECTS OF SQUADS HERE ARE LIONS' TOPIC

Gridiron prospects for Gettysburg High School and Gettysburg College this fall were discussed by head coaches from both institutions Monday evening for members of the Gettysburg Lions Club at the Shetter House.

It was the club's annual meeting at which members of the coaching staffs of the high school and college are "all football."

Henry T. Bream, a member of the host club and director of athletics at Gettysburg College, acted as master of ceremonies for the introductions and presented Howard Shoemaker, football coach at the high school, and John Yovicsin, head coach at the college, who did the talking for their staffs.

Not Too Optimistic

Shoemaker said the high school had the largest starting squad in its history. "We have very little experience but the kids work very hard," he said. He refused to make season predictions but pointed out that "we'll be outweighed and out-lettered in every game. The boys are playing their hearts out to win some ball games and they deserve the support of you men," he concluded.

Yovicsin told the clubmen at the outset that "we'll be lucky if we win a game," and then described squads losses since last season. "We're doing everything we can to prepare for a victory at Lewisburg on October 2," he said and added that the squad's performance so far "is very, very good."

He said the first scrimmage will be this evening on the high school field with Shippensburg at 8 o'clock. The next will be on Saturday at 2 with Lebanon Valley and a third will be held at Baltimore with John Hopkins before the opener with Bucknell.

Introduces Staffs

Ned Brownley, new junior high football coach; his assistant, Luther I. Sachs Jr., and Ray Ellis, new member of the varsity coaching staff, were introduced before Shoemaker by George Forney, high (Continued on Page 2)

FARM GROUP BOARDS TO MEET HERE SEPT. 23

Boards of directors of Farmers Associations from six counties will meet here September 23 for a special session on the new insurance program of the Pennsylvania State Farmers Association and seven similar state American Farm Bureau connected groups.

Announcement of the session at which directors of the Adams, Fulton, Franklin, Cumberland, York and Lancaster Counties Farmers Associations will be present was made at a meeting of the Board of Directors of the Adams County Farmers Association held Monday evening at the Adams Electric Co-operative building.

Wayne E. Tyler, Washington, D.C., regional director for the American Farm Bureau, will be the principal speaker at the joint meeting.

Membership Meeting

The annual membership meeting of the Adams County Farmers Association will be held October 13, the board of directors decided Monday. Site of the convention will be selected by a committee comprising Myles Starnes, Walter Hay and Thomas Murren.

Marvin Bacon, organization director for Massachusetts, will be the principal speaker at the annual session.

Thomas Murren reported Monday on the Pennsylvania Training Conference at which he represented Adams County, held September 2 and 3 at Hershey. Murren also reported on plans of the policy making committee of the Adams County Farmers Association to hold a series of meetings in homes of members throughout the county to determine the wishes of members in drawing up the resolutions to be presented at the October 13 general meeting.

Melvin Worley was appointed by President Paul Lerew to represent the county on the State Committee (Continued on Page 2)

SET DATE FOR DEDICATION

Dedication of the new addition to the Fairfield Joint School will be held Sunday afternoon, November 7, according to an announcement today by George B. Inskip, supervising principal. An "open house" will be held in connection with the program, details of which will be announced later.

All former teachers of the Hamilton and Liberty Twp. and Fairfield borough districts will be invited as special guests.

The dedication date occurs during American Education Week.

A new walk of black-top type is being constructed from the borough limits to the school building. The work is being done by the Hanover Construction Co.

Wednesday marks the opening of the annual magazine sales campaign by students of the high school. Proceeds will be used toward the purchase of a scoreboard for the gymnasium.

Kuhn's Millinery will be open Friday evenings, 139 Chambersburg St.

BOARD TOLD

(Continued from Page 1)

sary to ask for bids. The line will also make available a gas supply if furnaces in the old building should be converted to gas at some future time.

To Get Boiler Facts

Weishaar Brothers were directed to install a gas line to the cafeteria to supply new stoves they will install there. The line will cost \$402.

The board heard additional reports from prospective bidders on extensive repairs needed by heating plant boilers at the high school and decided to consult a heating engineer for facts on the situation. A reported recommendation from an insurance carrier inspector has not yet been received by the board.

The Blue Ridge Oil Company was awarded the contract for supplying fuel oil at the high school building at its low offer of 8.59 cents per gallon based on market prices. The other bidder was the Aero Oil at 8.64 cents per gallon.

Deferred To October

The board opened three bids on bituminous coal for the grade school buildings and awarded the contract to the Keystone Coal Sales Company of Harrisburg, low bidder at \$8.95 delivered. The other bidders were W. H. Scott of Gettysburg and from last year's supplier, Mr. Koonitz of Hanover. Analyses of the coal were submitted with each of the bids.

The question of who shall prepare specifications for furniture for the new grade school building was deferred until October. Some directors suggested it be handled by a board committee rather than through the architect to save \$1,000 or more in architect's fees.

The board agreed to cooperate fully with plans of the state police to take Fourth, Fifth and Sixth Grades to the State Police Rodeo at Hershey on Friday. Pupils who secure their parents' consent will be allowed to go.

Reverse A Decision

Wondering how much money they would save if they omit a plate provided for in the contract for the new grade school building, the directors decided that names to go on it would be of directors on the boards when the contracts were awarded.

Reversing a position taken last month, the board agreed to the use of asphalt tile in hallways at the new grade school instead of monolithic concrete—at no extra cost. The concrete was ordered originally chiefly because it was \$500 or more less costly. Gray, green and black tile will be used in a design shown the board Monday evening.

Notified that he had completed satisfactorily his probationary period, John E. Keller, teacher at Hoffman Orphanage, was approved for a regular professional employee's contract.

Current bills, mostly for year's supplies totaling \$6,253, were ordered paid.

To Use South Entrance

High School Principal G. W. Leffever told the board, in answer to queries, that the south entrance to the football field will have to be used on Friday for the Delone game but said complete plans for handling the crowds and parking will be announced this week by George Forney, director of athletics.

The monthly report of the joint district treasurer, the First National Bank, showed tuition payments during the month of \$36,000 and expenditures of \$16,524 leaving a current balance of \$40,673, a drop of about \$17,000 from a month ago.

Minutes of August meetings of the Supply and Transportation Committees were read to the board after minutes of its own last two meetings were approved.

The meeting adjourned shortly after 11 p.m.

place a new heater by the time it is necessary to heat the place.

Need Paint, Too

Also needed are donations of a bookcase, a chest of drawers, toys of any kind, and a work bench and carpentry tools. The toys are needed for the younger children, the work bench for the older youngsters. Donations of a bright paint would also be appreciated, the teachers said, adding that if the paint is donated they will paint the room themselves.

The day care center is established for youngsters who would receive little benefit from the regular school classes but who can be assisted by special instruction.

The teachers and the organization sponsoring the school today expressed their appreciation to the Beta Sigma Phi Sorority for the use of the structure.

Bullets To Scrim Teachers Tonight

The Gettysburg College-Shippensburg State Teachers College football scrimmage, originally scheduled for Wednesday evening, will be held tonight at 8 o'clock on the Gettysburg High School field. It was announced today.

The Bullets, who open their season with a night game at Bucknell on Saturday, October 2, will also engage in two additional scrimmages with other schools prior to the opening tilt.

Ellis McCracken, new Lebanon Valley coach and a local graduate, will bring the Flying Dutchmen here Saturday afternoon and on September 25 the Bullets journey to Baltimore to engage Johns Hopkins University.

Tonight's workout is open to the public.

Lawn management was discussed and illustrated by Frank Zettle, county agent from the agriculture extension association in Gettysburg, at a meeting of the Biglerville Garden Club Monday evening in the home economics room of the Biglerville High School.

Mr. Zettle stated that "the type of lawn seed we purchase is very important in establishing a new lawn. Grass seeded in late August can develop a root system sufficiently strong to withstand the winter and the hot dry weather of the following summer."

"If a lawn is mowed properly during the summer," he said, "and adequately fertilized in September, it will become strong enough to withstand the winter and produce a health turf in the spring."

Mr. Zettle mentioned that "most everyone admires a golf green." He explained the vast difference between caring for a golf green and a private lawn.

The county agent explained some of the remedies for the most common lawn weeds such as knotweed, crab grass, sour grass and dandelion. "Organic fertilizer is much better for these weeds," he said, "than commercial fertilizer."

The colored film shown to the club members was made in Pennsylvania and appropriate for local soil conditions. Mr. Zettle was introduced by Mrs. Donald Horst, chairman of the program committee.

Yellow marigolds and candles decorated the refreshment table. During the business session which followed the social hour, the question was raised whether the members wish to become a federated club or not. Each member was asked to consider the question. At the October meeting the subject will be open to vote.

There were 28 members present with Mrs. O. H. Benson and Mr. Zettle as guests. The hostesses were Mrs. Clifford Bucher, chairman; Mrs. Charles Raffensperger, Mrs. Charles Rouzer and Mrs. Richard Raffensperger.

Littlestown Ministerium Reelects Rev. W. C. Karns; Other Groups In Sessions

The Rev. William C. Karns, pastor of St. John's Lutheran Church, was re-elected president of the Littlestown Ministerium at the bi-monthly meeting of the group, held on Monday morning in St. Paul's Lutheran Church. Others elected to office were the Rev. Herman E. Stenger, pastor of the Centenary Methodist Church, as vice president, and the Rev. Charles B. Rebert, local retired Reformed minister, secretary-treasurer.

The meeting opened with prayer by the Rev. David S. Kammerer, pastor of St. Paul's Church. The Rev. Mr. Rebert presented the reports of secretary-treasurer. The Rev. Mr. Kammerer announced that he and the Rev. Frank E. Reynolds had repaired the organ used for the outdoor union vesper services, and appreciation was extended to them for their work in this respect.

Instead of the usual union vespers services this fall, there will be a series of illustrated lectures given by the Rev. Mr. Kammerer on his trip to the Holy Land. The lectures will be centered around Bible stories and scenes which the Kammerers visited during their seven weeks' tour. The lectures, which the public is invited to attend, will be held each Sunday evening during October, beginning October 10. The ministers of the community will be in charge of the worship services on the various Sunday evenings as follows: October 10, the Rev. Mr. Karns; October 17, the Rev. Mr. Stenger; October 24, the Rev. Arthur E. Leeming, superintendent of the Hoffman Orphanage, who will then be serving as supply pastor of Redeemer's Reformed Church; October 31, the Rev. G. Howard Koons, pastor of Christ Reformed Church.

Plan Homecoming
The annual Methodist Homecoming Day will be observed on November 7, and the members of the various community congregations will be invited by their pastors to attend the evening service in the Centenary Methodist Church.

Plans for the Union Thanksgiving Eve service were discussed and it was decided to hold the service in Redeemer's Church with the Rev. Arthur E. Leeming in charge. The Rev. Mr. Stenger will deliver the sermon. The offering on this occasion will go to the furtherance of religion at Mont Alto.

The annual preaching mission will be held again this year during the first full week in January, beginning with Sunday and continuing through Friday. The Rev. Mr. Kammerer and the Rev. Mr. Karns were appointed as a committee to secure a speaker for the week.

The meeting closed with prayer by the Rev. Mr. Stenger. The Ministerium will meet again on Monday, November 1.

Club To Meet
A film on "Sherwood Gardens" will be shown at the first fall meeting of the Woman's Community Club of Littlestown and Vicinity on Wednesday at 7:45 p.m. in the POS of A Hall, E. King St. A garden display and food sale will be held in connection with the September meeting. Each member is requested to take an article for the food sale or display. Mrs. Harry T. Harner is chairman of the program committee for Wednesday evening. The hostess committee is headed by Mrs.

COLLEGE GIVEN \$2,500 CHECK BY ALUMNI GROUP

Seventy-five members of the Gettysburg College Alumni Club of Franklin County were guests of T. Z. Minehart, veteran Franklin County attorney, at his home at Mt. Parnell, Franklin County, Saturday afternoon and evening. A picnic supper was served, with Potters' Restaurant of Greencastle as caterer.

Arrangements for the outing were in charge of Mrs. C. Quinlan Smith of Chambersburg, and Dr. John P. Manges, roentgenologist at the Chambersburg Hospital and president of the alumni club, presided at the informal program.

A feature of the event was the presentation of a check for \$2,500 to Dr. Walter C. Langsam, president of Gettysburg College, with the suggestion that it be applied to the college Development Fund. The presentation was made by Mrs. Clara Berkey, Waynesboro, of the Class of 1894 of which Mr. Minehart was a member. A third of the four surviving members of the class, Mrs. Clyde Stover, Gettysburg, also was present at the gathering. Dr. Langsam accepted the gift with expressions of thanks in behalf of the college.

Surprise Recording

A surprise feature of the outing was the playing of a recorded tribute to Mr. Minehart's loyalty and interest in Gettysburg, with the Rev. David R. Hoover, McConneysburg, as narrator. Mr. Hoover's statement cited Mr. Minehart's long interest and association with the college and his loyalty and support of all projects and programs for the advancement of the school. The recording pointed to Mr. Minehart's 87th birthday on Saturday, Sept. 18, and at the conclusion the assembled alumni extended warm wishes to Mr. Minehart for a happy birthday and continued years of health and usefulness.

In the principal address, Dr. Langsam related the beginnings of Gettysburg College to historical events in the United States and the world. He pointed out that the school has seen the country grow from a handful of states along the eastern seaboard to a continental power of worldwide leadership; that it has survived kings and queens and dynasties and continues in the modern period to render increasingly important services to the nation and the world. He cited needs of the college and expressed hope for their early fulfillment.

Presented by Mr. Minehart, John S. Rice of Gettysburg, former state senator and vice president of the board of trustees of the college, extended the greetings of the board. Paul Cessna, alumni secretary, spoke briefly in behalf of the association.

The evening was concluded with the showing of travel pictures by Dr. Albert Bachman, professor of Romance languages at Gettysburg, who annually conducts guided tours to Europe. The pictures covered a tour of England, Germany, Italy, Spain and France.

Plan Ladies' Night

Program Chairman John C. Stahle told of plans for a ladies' night at Allentown on Tuesday, October 5, with a dinner and play on the schedule.

After the coaches' talks, Yoricstn showed a film of the Gettysburg-Muhlenberg game at Allentown last fall.

Following the meeting there were special meetings of the board of directors, the Greeters' Convention, United Nations and Program Committees.

receipts" was a big item for the druggist. Nearly every community had its favorite "medicine." Britcher read some of the "receipts" dating back into the early history of the nation. One began: "take two quarts of beer."

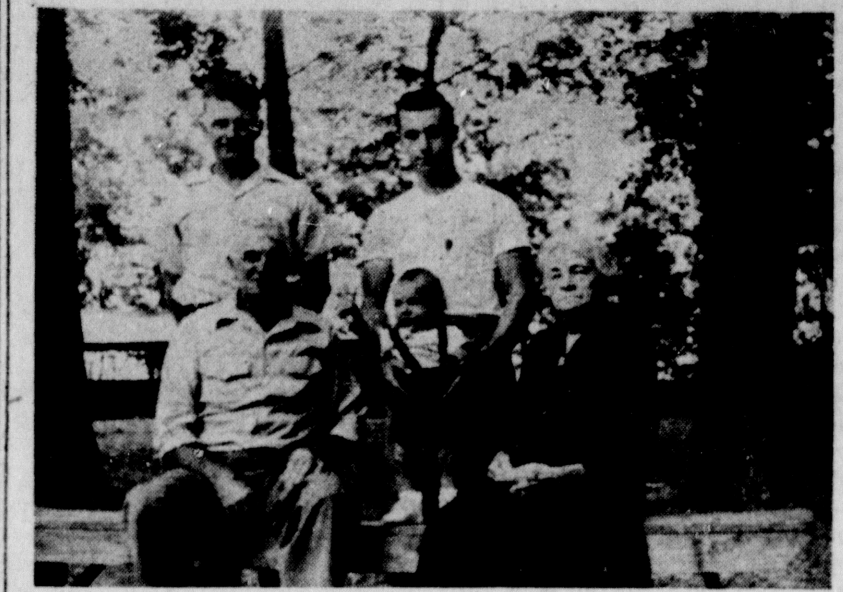

Tells Of Old Nostrums

A "lockjaw preventive" of more than 100 years ago, and believed in by many people, was the use of the smoke from a pipeful of "good tobacco" blown into the open wound. Gunpowder was the basis of many "receipts" by which families provided home medication.

"Patent medicines" of a century ago or less were heavily laden with opium and alcohol, Britcher said. He read from the labels of several ancient "nostrums" which indicated that the contents of the bottles were good for nearly every ailment known to man. One label concluded by saying that if a person had something wrong with him and didn't know what the trouble was, "take this regularly and you will be delightfully surprised."

Five Generations Of Harvey Cluck Family Hold Reunion

Recently five generations of the late Harvey Cluck family, including four boys, were present at a reunion held at the Mount Joy Church. Present were Mrs. Harvey Cluck, 89, and still in good health, her son Harry, 70, of Seven Stars and Knoxlyn, a grandson, Kermit, 44, of Cashtown, a great-grandson, Donnie, 21, employed in a feed mill in York, and a great-great-grandson Samuel, 9 months.

The occasion of the gathering was a picnic at the Mt. Joy Church, and all the Adams County members of the family were present.

At 70, Harry Cluck still engages in farming, as he has through most of his lifetime. He is married to the former Maude Sowers, and the couple has five children, Dermitt; Wayne, the proprietor of West; Rodney, a resident of Sterling, Ill.; Mrs. Eleanor Wolf, Granite; and Mrs. Lois Heyser, McKnightstown.

Two sisters of Harry Cluck, Mrs. Roy C. Wolfe, R. 2, Gettysburg, and Mrs. Samuel Lady, Chambersburg, are also living and in good health.

Carlisle was the first great center of drug manufacturing in the United States, Britcher said. Andrew Craigie, the first apothecary general, named by Congress in 1777, established general laboratories and storehouses to serve the medical needs of the Continental army. The hospital drugs were manufactured mostly at Craigie's shop at Carlisle, Craigie, a Bostonian, was stationed at Carlisle Barracks during most of the war.

The first U.S. pharmacopoeia was printed in 1817 during the Revolutionary War. It consists of 32 pages 4 1/2 by 2 1/2 inches in size. The first edition of the pharmacopoeia in use today was published in 1820.

Vice President Philip M. Jones presided at the meeting with about 50 present.

NEW PRIEST IS INSTALLED AT ABBOTTSTOWN

Immaculate Heart of Mary Church, Abbottstown, was the scene Sunday of the formal installation of the Rev. Louis S. Dougherty as the new pastor of the parish.

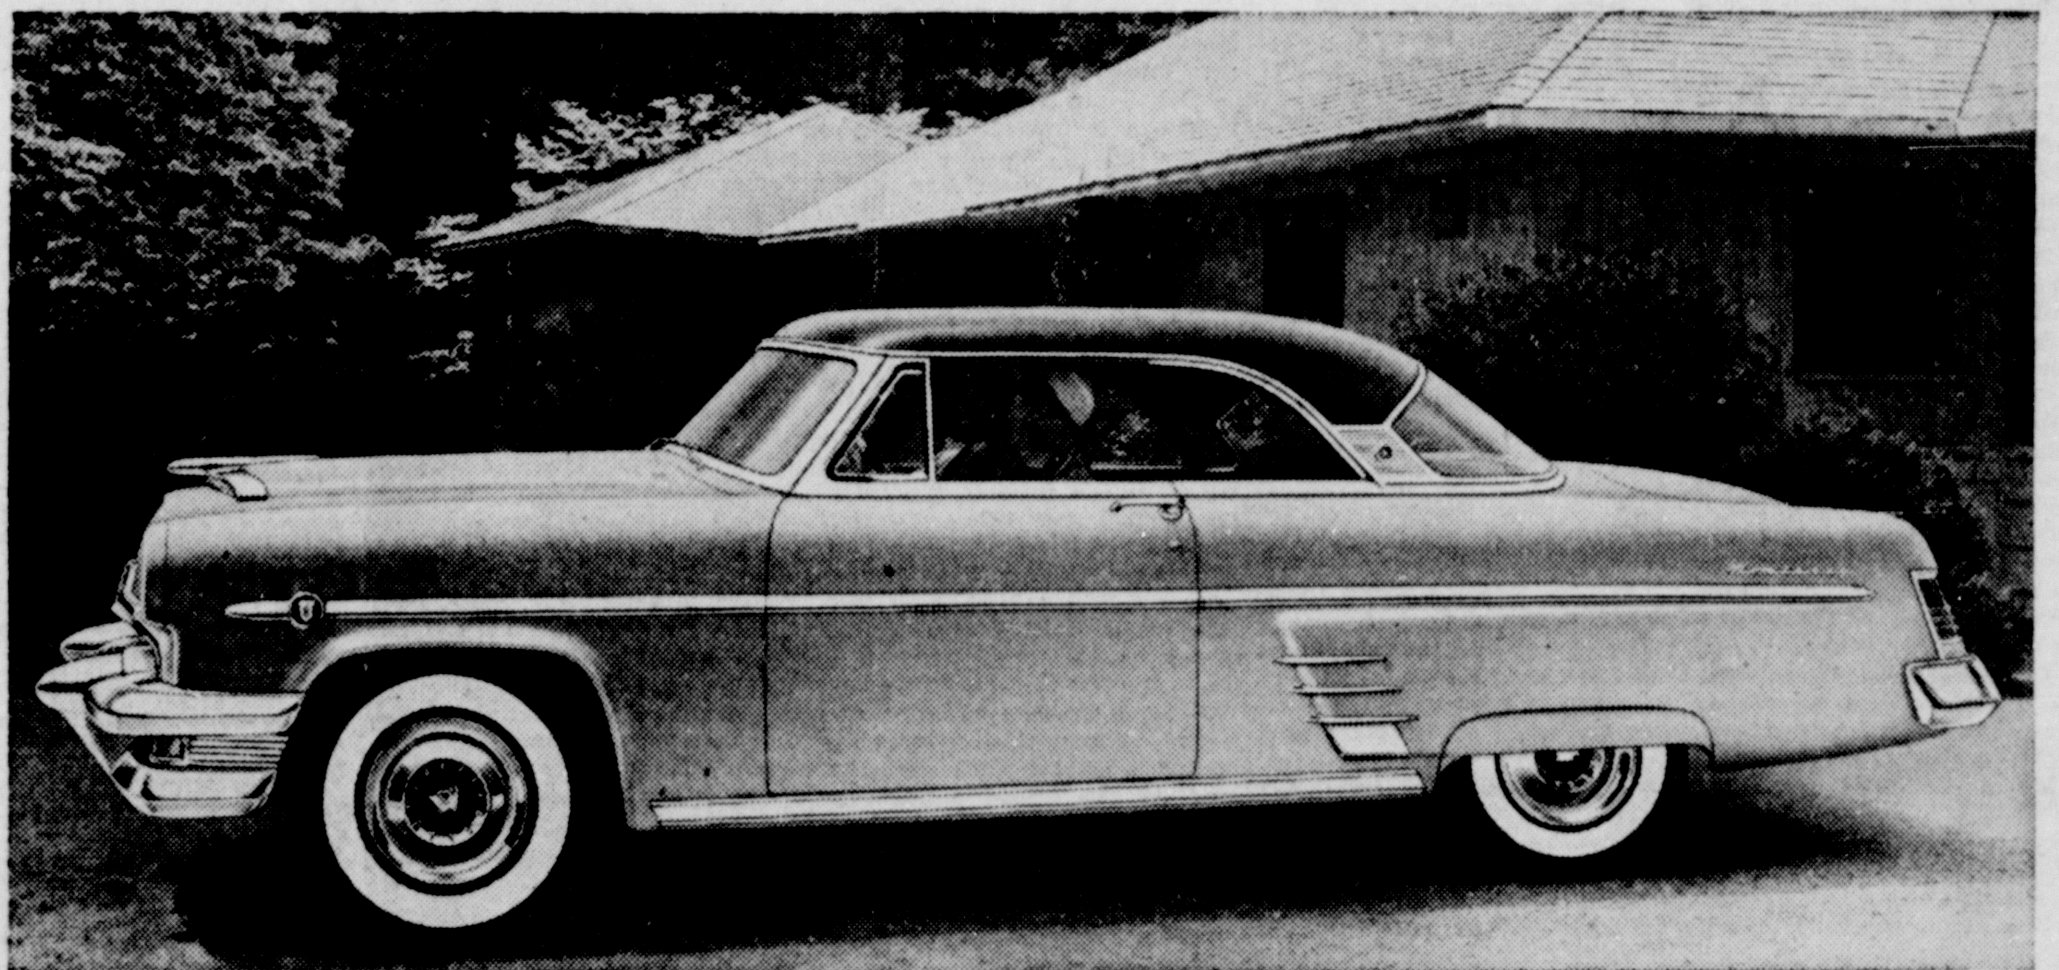

The Rt. Rev. Msgr. Patrick F. McGee, vicar forane of this area, conducted the rites of installation. Following the procession of the clergy from the rectory to the church, Msgr. McGee read the letter of appointment from the Most Rev. George L. Leech, bishop of Harrisburg, designating Father Dougherty as the new pastor of the church and as chaplain of the Paradise School for Boys. Msgr. McGee briefly outlined the implication of the colorful ceremony that had taken place and its spiritual significance to the church and the community. Music for the ceremony was provided by the choir of Paradise School, under the direction of the Sisters of St. Joseph.

Father Dougherty came to his new charge from the Pennsylvania Industrial School at Camp Hill where he acted as chaplain to the over 400 Catholic boys for a period of three and a half years. The priest's previous assignments included his appointments as assistant pastor at the Church of St. Francis of Assisi, Harrisburg; St. Joseph's, Shamokin; St. Joseph's, Mechanicsburg, and Good Shepherd Church, Camp Hill.

While at the Industrial School he was active in the Knights of Columbus Council 869 of Harrisburg and served two years as faithful friar of the Bishop Shanahan Fourth Degree Assembly there. In addition to serving three years as post chaplain of the Catholic War Veterans of Harrisburg, the present pastor of Abbottstown was for two years state chaplain of the Catholic War Veterans, Department of Pennsylvania. Father Dougherty was given a life membership in the Catholic War Veterans at Detroit as a result of his activities in increasing the membership of the veterans organization and establishing three new posts in Pennsylvania.

Father Francis Mignot, priest at Paradise Rectory for the last four years, is now on sick leave.

What's under the hood of the most beautiful car on the road?

... an entirely new 161-horsepower V-8 engine that one leading auto expert says—"May prove to be the last word in postwar passenger car engines."

GRIFF BORGESON—CARS MAGAZINE

More Responsive—Mercury gives you the advantages of high horsepower without sacrificing economy. A unique 4-barrel carburetor operates on 2 barrels for thrifty normal driving and switches "vacuumatically" to 4 barrels when full reserve power is needed for quicker, safer passing.

Smother, Quieter—Engine vibration is virtually eliminated by using a 5-bearing crankshaft with eight counterweights, rather than the

usual six. And, for even greater smoothness, all major engine parts are balanced separately, then each engine is balanced in operation, after assembly—a process usually used on only the most expensive engines.

Greater Economy—Mercury lets you enjoy the advantages of high horsepower without sacrificing economy. For this is one of the most efficient V-8's in our economy-famous history. And you can use regular, non-premium gas.

Greater Efficiency—New short-stroke engine design (3.1") cuts wear, gives 29% more mileage for same amount of piston travel. You save on upkeep.

Unmatched for Sheer Ruggedness—Mercury's new deep-skirt crankcase extends almost 3 inches below the crankshaft's center line—gives better crankshaft and bearing support. You get an engine with far greater stamina. But to fully appreciate Mercury, try it yourself—today!

FIFTY YEARS AGO

Plank Wins Fresh Laurels: Our Eddie Plank one of the best—if not the best—pitchers in the American baseball league won fresh laurels last week by shutting out both New York and Boston. In the latter game on Saturday he pitched against the famous Cy Young and won by the score of 1-0. Thirteen innings were required to determine the winners and the hit that won the game was made by Mr. Plank, which sent Murphy over the plate. The ball passed Boston's first baseman and the game was over. "Eddie" ran out in right field and picked up the ball which he will keep as a trophy of probably the greatest game of his career. With the cheers of thousands ringing in his ears, Plank started to run back to the Athletics' dressing room.

As he dashed across the field men and women stood up and cheered him again and again, while cushions flew in every direction, and hundreds poured out on the field to grasp the hand of the man who was the hero of the hour. With one hand eagerly clutching the ball, Plank reached out his right hand and it was shaken at every step by enthusiastic rooters. When he neared his third base Plank found his pathway completely blocked by men, who pounded him on the back and yelled into his ear their opinions of his great pitching and timely hit. Then, lifting Plank on their shoulders, the crowd carried him in triumph to the dressing room and gave him three cheers more as a final parting.

A Notable Improvement: Dr. J. A. Singmaster, President of the Theological Seminary, is having a cement pavement laid from the Confederate avenue on top of Seminary hill to the last end of the Seminary lot at the foot of the hill along Springs avenue. This will necessitate the Land Improvement Co. to lay pavement from Dr. Tudor's house to the foot of the hill.

A Happy Party: A party of young people residing on Steinwehr avenue enjoyed a straw ride Thursday evening, going to the home of James Reaver, near Harney. Following composed the party: Misses Virginia Horner, Daisy Long, Carrie Bucher, Elsie Horner, Edna Plank, Leah Horner, Lou Ella Sharrett and Carrie Mannehan; Messrs. Roy Long, Ellis Bucher, Glen Hess, Frank Patterson, Harry Hainer, Lewis Topper, Howard Harner and Jacob Swisher.

Gone To St. Ann's Academy: Miss Rose Staub, daughter of Mr. and Mrs. James Staub, of Berlin Junction, left last week for Wilkes-Barre, where she will enter St. Ann's Academy with the intention of becoming a Sister of Christian Charity. Miss Mary Smith, eldest daughter of Mr. and Mrs. O. A. Smith of New Oxford, left at the same time for the same place where she will attend school in that institution.

Welsh Bros. Show: Welsh Bros. circus will exhibit in Gettysburg on next Saturday, September 17th. This show has been here several times before and is an up-to-date and clean show. The tents will be pitched on Tawney's field, South Washington Street.

The Sewer Question Again: As will be noticed in the Town Council proceedings in another column, Council is again making an effort to establish a general sewage system in Gettysburg. For this our Councilmen are to be commended, and should receive the hearty support of every citizen. They are moving in the right direction, and if they succeed in this matter it will be a great thing for our historic town.

The fact of the matter is that the time is rapidly approaching when a general sewage system must be established in our town either by the borough authorities or a private corporation, and it is to be sincerely hoped that as the matter has again been taken up by Council that it will be pushed to completion. It is true that the cost of such a system would be rather expensive. The tax rate would have to be increased, but then on the other hand it would mean a more healthy town. The sanitary condition would be greatly improved and we would be

Today's Talk

INTERDEPENDENCE OVER ALL
If you spend much time away from all close contact with people, and the crowds of the city, and walk the mossy paths of the forest where you may have a cabin or a tent, you will soon note the interdependence of all nature. There is silent co-operation. There is a change of chemicals. Varieties of trees, shrubs, and flowers, bud and bloom—and all for a purpose much of it too mysterious for our solution, or understanding.

Then there is the insect, the bird, the animal world. Each group here is interdependent upon each other. There are birds who seek out the insects for food, and there are animals who do the same. And man's sustenance is gained from the ground, and from birds and animals. There are insects so small they could not cover a pin head, yet they may mean some other living being's meal! Throughout all life is this interdependence—all arranged by the Creator of all life.

Every summer, for many years, I have lived upon a rugged, stone-infested island in Nova Scotia. It has many great hemlocks and pines that are perhaps two hundred years old. I have studied the way these trees have wrapped their roots about great rocks at their base, and so woven are these roots as to enable these trees to stand firmly and erect for hundreds of years. Nature is creative. Things that might stump a man would not stump Nature. Hers is always a question of survival.

And now back to man. Everything that sustains his life comes from the ground or from that which gets its life from the ground, such as the birds, fowl, and animals. He builds his home from some contribution from Nature. Everything he uses is a product of the earth—even the hat upon his head! (If he wears one). This newspaper was once acres of trees! Everything, it seems, was created to serve man, that he in turn might serve others!

Tomorrow Mr. Adams will talk on the subject: "Alonso Stagg" Protected, 1954, George Matthews Adams Service

LOVE FISHERMAN
The right to be quiet, the freedom to stare
At whatever is moving by water or air,
To drift if you care to, and even to drowse
Are some of the pleasures that fishing allows.

To be just yourself without boastful pretense,
To own all you see without any expense,
No one to disturb when you're taking your ease,
Who fishes alone has such pleasures as these.

No madness called "business," no rushing about,
No buying, no selling, no bargains to shout;
Who fishes alone drops his burden of care
For a few hours of dreams and contentment and prayer.

Angry Parents And Striking Students Force Return Today To Segregation In W. Virginia

WHITE SULPHUR SPRINGS, W. Va. (AP)—Five days of integration in Greenbrier County schools was ended today after school officials, confronted with angry parents and striking white students, ordered an immediate return of segregation.

The high school here was closed a half day to allow 25 Negro students, under police protection, to secure their books and return to their own school.

Threats Made
Some 600 parents protesting integration had threatened at a mass meeting last night to remove bodily any Negroes who attempted to attend White Sulphur Springs High today.

In nearby Lewisburg, the county seat, the school board ordered an immediate return to separate schools for Negroes and whites. The segregation order came after an all-day meeting.

After the meeting, which began at 9 a.m. and ended 13 hours later, School Supt. D. D. Harrah issued a statement which said:

Rescind Previous Action

"The board hereby directs all principals to transfer all tentative enrollments of Negro students to Bolling High School (the Negro school) or to their nearest Negro school or to their nearest Negro elementary school, this policy effective immediately.

"... This directive rescinds and voids all previous action of the Board of Education in regard to segregation."

Yesterday's demonstration against integration involved about 300 of the 440 students enrolled at the high school. They marched through the streets of this mountain resort town, just five miles from the Virginia line, with placards reading, "no Negroes wanted in our schools."

Up To Local Boards
Another demonstration was staged at Rupert, about 33 miles northwest of here where some 100 students also marched through the streets, protesting 14 Negroes attending their school.

The demonstrations were the first by the students since the U.S. Supreme Court last May held segregation in public schools was unconstitutional.

The Supreme Court did not order immediate integration but asked state officials to offer suggestions as to how desegregation might be carried out. A subsequent ruling is expected sometime this fall.

West Virginia's State Board of Education recommended immediate integration but did not order it, leaving the decision with the individual county boards.

Young Marine Is Released On Bail

HARRISBURG (AP)—A nearby Swatara Station man was free under \$6,000 bail today after filing an appeal from a Dauphin County Court verdict to sentence him to jail on a charge of assault with intent to kill.

Tony Wise, 26, filed the appeal with the State Superior Court soon after he was sentenced yesterday to serve from 8 to 16 months in jail for conviction of injuring Arlin Hoffer.

Wise went back into the service with the U. S. Marines after being granted freedom on the bail.

He was found guilty of striking 34-year-old Hoffer on the head while both were watching a demonstration of strikers at the Hershey Chocolate Co. plant in April, 1953.

YORK FAIR IS OPENED TODAY

Over 300,000 persons from six nearby states and the District of Columbia are expected to attend this year's York Inter-State Fair which will be held in York five days and five nights, beginning today and closing Saturday night.

More than \$50,000 in prizes and awards will be given to winners among 15,000 persons in hundreds of competitions, it was announced this week by Samuel S. Lewis, Pennsylvania's secretary of Forests and Waters and president of the fair for 24 years.

The fair is held annually on a 120-acre fairgrounds having more than 20 permanent buildings. The fair itself is one of the oldest in the country, dating back to 1765. It was first held under a charter granted by Thomas Penn, son of William Penn, founder of the Commonwealth of Pennsylvania.

This year's 10 stage programs will present many entertainers, including singing star Patti Page, Sammy Kaye and his orchestra, the Mariners from Arthur Godfrey's TV show, the Baltimore and Ohio Glee Club, a musical revue to be presented nightly, and well-known vaudeville acts, in addition to 14 harness horse races, 11 running races, and two daredevil automobile contests.

"This year's entertainment program is undoubtedly one of the very finest we've ever booked," Mr. Lewis said.

He added that this year's list of entries for fair competitions will be another record-breaker. Since York is one of the 10 richest agricultural counties in the East, and stands 67th among the nation's 3,000 counties in value of agricultural production, farm-product competitions are keenly contested. Judging is regularly held for farm animals, fowl, handicraft, art work, jellies, cakes, pies, needlework, sewing, farm produce of many kinds, and in other classifications.

START WORK ON REPORT AFTER HEARING ENDS ON M'CARTHY

By JACK BELL

WASHINGTON (AP)—A six-member committee tackles today the task of drafting a report on the official conduct of Sen. McCarthy with every sign it will ignore his attack on fairness of its legal staff.

The report, which may be critical of some of the Wisconsin senator's activities, is to act as a guide to the Senate when it returns later this year to consider whether or not McCarthy's conduct merits censure.

Whether the committee will make specific recommendations for action, or will content itself with factual findings, has not been determined.

Tried To Be Fair

As the public censure hearings wound up late yesterday, Chairman Watkins (R-Utah) said that E. Wallace Chadwick, the committee counsel, and Guy G. de Furia, his assistant, had "tried their level best to be fair" in presenting evidence on five main categories of charges leveled at McCarthy.

But McCarthy and his lawyer, Edward Bennett Williams, contended that Chadwick and De Furia had been acting as prosecutors. They indicated they believe any report to which the two attorneys contribute will hold that McCarthy overstepped the bounds on one or more of the principal counts against him.

And McCarthy said he was "still disturbed by a statement of Sen. Watkins that the jury doesn't have to be impartial."

Hear Zwicker

This was a reference to Watkins' previous statement that many members of the Senate have taken sides for or against McCarthy, and that they cannot for that reason be disqualified from voting when the Senate considers the censure issue.

Much of yesterday's final session of hearings was given over to the testimony of Brig. Gen. Ralph W. Zwicker, whom McCarthy has been accused of abusing when the general appeared at a closed hearing of McCarthy's Senate Investigations Subcommittee in New York last Feb. 18.

Zwicker, in a lengthy verbal fencing duel with Williams, maintained he had not intended to be evasive or arrogant, as McCarthy contends he was. And Zwicker insisted he saw no inconsistencies in his testimony then. McCarthy has accused him of misstating facts.

As the hearings ended, Williams called for the appointment of "independent counsel" to study the facts and the law as developed by 10 witnesses in 9 days of public hearings.

"Vigorous Prosecutors"

McCarthy and Williams, stepping outside of the hearing room, then declared on television they don't believe "the district attorney should write the opinion when he had completed prosecuting the case."

McCarthy said Chadwick and De Furia had been "very vigorous prosecutors and cross-examined me very vigorously," and he added:

"I think they made a mistake

HOLD BUTCHER WITHOUT BAIL

PHILADELPHIA (AP)—Robert W. Taylor, 27-year old butcher charged with murdering his wife in their apartment last week, was held without bail for grand jury action yesterday.

He was held in \$20,000 also for the grand jury on a charge of aggravated assault and battery for the alleged beating of his sister-in-law, Miss Ethel Erlich, 20.

Taylor surrendered to police in Buffalo, N. Y., last Friday, the day after the slaying. Police said he drove from Philadelphia to the home of his father in Buffalo after the killing.

Det. Joseph P. Dugan Jr. of the Homicide Squad told Magistrate Harry J. Ellick at hearing today that Taylor "admitted his part and he identified the fatal weapon," which police said was a butcher's boning knife.

FREE MAN IN WOMAN'S DEATH

WILKES-BARRE, Pa. (AP)—A 37-year-old Nanticoke man was released by police yesterday after an autopsy revealed a woman who died in his auto had succumbed of natural causes.

Thomas Romanowski was arrested Sunday and held on an open charge after he told police this story:

He drove two women home from nearby Plymouth Saturday night. After dropping off the first one, he found the second, Miss Alice George, 36, had lost consciousness in the car. After driving for several hours, he finally took her home. Then with two of her brothers, Romanowski took the stricken woman to Wyoming Valley General Hospital where she was pronounced dead. Police said she had been dead for several hours.

Romanowski was released yesterday, however, after a deputy coroner's report indicated Miss George had died a natural death.

Should you line your draperies or leave them unlined? Use a fine silver polish to clean the nickel and chromium parts of your refrigerator to prevent scratches. Linings protect the drapery fabric from soil and direct sunlight, lengthening its life, but make the curtains harder to launder or more expensive to dry clean. The lining also adds to the initial cost. Some homemakers prefer the effect of sunlight coming in through unlined fabrics to the opaque effect of lined drapes.

In what their task was. They should have brought out the facts on both sides.

Watkins said the committee would consider this complaint, but he practically foreclosed action on it. Three other committee members indicated they wouldn't vote to get new attorneys.

Forsees "Not Much Trouble" In Ending Segregation In South

By REM PRICE

ATLANTA (AP)—"When the tree has done been cut and it is falling over at you, that ain't no time to holler 'hold it back!' It's time to git."

George Mitchell, executive director of the Southern Regional Council, grinned, and paused to roll a cigarette.

"Old Negro told me that," he said, "when I was talking to him about this segregation business. Well, the Supreme Court decision on the public schools cut the tree and it is time for the South to do some 'gitting'."

Gets First Money

Mitchell, doctor of philosophy, economist and sociologist, is one of the South's foremost authorities on race relations. The solutions to its problems, he believes, will have

21 Nations Denied U.N. Membership

UNITED NATIONS, N.Y. (AP)—A special U.N. Committee on Admissions says it sees no way out of the Soviet-Western impasse barring 21 applicants for membership in the international organization.

The negative report to the General Assembly by the three-member Good Offices Committee was made public last night. The Assembly had set up the group in 1953. A Soviet veto in the Security Council has blocked 14 of the applicants. The others have failed to win the necessary seven votes in the 11-member council. New members must be recommended by the Security Council before the 60-nation Assembly can pass on them.

POUND RED MAINLAND

TAIPEI, Formosa (AP)—Nationalist China's air force and navy today bombarded the Red-held mainland opposite Formosa for the 12th straight day, the Defense Ministry announced.

A special communiqué said three Communist water ghosts—frogmen—attempted to land on the north coast of Quemoy but were driven off by an alert sentry. The water ghosts presumably were after prisoners.

Braves Go To Polo Grounds For "Do Or Die" Series; Beat Phils As Giants Edge Out Cards 1-0

By BEN PHLEGAR
Associated Press Sports Writer
Opportunity knocks tonight for the last time for the Milwaukee Braves.

The injury-riddled third-place club lumps into the Polo Grounds for its last three games with the league-leading New York Giants, knowing that it's win or else.

There will be no more chances if the Braves blow any one of these. The New York experts to a man doubt Milwaukee has enough momentum left from its great late season surge to sweep by the Giants now.

Giants Sell Series Tickets
New York holds a four-game edge over both second-place Brooklyn and the Braves in the vital "games left" column. By now this column tells the story more accurately than do "games behind" figures since the contenders each have played a different number of games.

The Giants would have to lose 4 of their remaining 12 contests to be caught by either team and would need to drop 5 to be passed. Even if the Braves and Dodgers won everything from now until the end of the season.

The Giants' front office flaunted its confidence by opening public sale of world series tickets today, although the club has three games left with Brooklyn as well as the current set with Milwaukee.

Hits By Injuries
The Braves move into New York after winning two out of three in Philadelphia. They took last night's game 7-4. The Giants edged the Cardinals 1-0 in an afternoon contest and Brooklyn was not scheduled. Pittsburgh shaded Cincinnati 6-5 in the only other major league action.

First baseman Joe Adcock and outfielder Hank Aaron definitely are out of the New York series. Two other Milwaukee regulars, third baseman Eddie Mathews and pitcher Gene Conley, have been below par physically.

Adcock suffered a ruptured blood vessel in his wrist when he was hit by a pitch in Brooklyn Saturday. Aaron broke his leg a week ago. Mathews has a bum ankle and Conley, due to start tonight, is recovering from a bad back.

Shuts Out Cards
Catcher Del Crandall moved into the cleanup spot at Philadelphia last night and delivered three hits, two of them doubles, in five trips.

Ahead by only one run, the Braves wrapped it up with four tallies in the eighth. Crandall opened with a double and was safe when Curt Simmons' throw to third on Andy Pafko's sacrifice was late. Simmons then walked Johnny Logan, hit Jack Dittmer and Steve Roldan for two runs. Walked Roldan came in to get pitcher Dave Jolly on strikes but Bill Bruton singled over second and two more runs came in.

Johnny Antonelli was in superb form with his five-hit shutout of the Cardinals. All of the hits against him were singles and he retired 14 men in order until Stan Musial walked in the ninth.

Pirates Win One
The Giants couldn't do much against rookie Gordon Jones but the one run they put together in the ninth on a double by Willie Mays and a single by Dusty Rhodes was enough.

The victory was No. 21 for the left-hander who came to the Giants from the Braves last winter.

The Pirates' pitching staff which gave up 24 runs to Cincinnati in Sunday's doubleheader, achieved some revenge when pitcher Dick Littlefield singled home the winning run against the Reds last night. Ted Kluszewski's homer spree was stopped but he singled twice in four appearances.

Harness Races Start Today At Reading

READING, Pa. (AP)—Grand Circuit harness racing starts today at the 103rd annual Reading Fair with a \$14,000 purse for three-year-old pacers.

The day is also set aside for Reading school children and more than 20,000 youngsters are expected to parade through the grounds.

Last night, 15 more girls were chosen to compete for the Miss Reading Fair title Saturday night and the prize of \$1,000 that goes with the crown. A total of 30 have been chosen to date for the finals.

Today's program includes judging in various agricultural and horticultural classes and a "Hit Parade" revue this evening.

Sports Roundup

By GAYLE TALBOT
SAN ANTONIO, Tex. (AP)—One of the manifestations of nature peculiar to the American scene is the football luncheon club, whose spavined and windblown members gather once each week during the open season on football coaches to diagnose the previous Saturday's game and permit their captive mentor to try to explain why his ends didn't get down the field under punts.

Normally such clubs, composed of bankers and wet wash tycoons for the most part, are based in cities which are the sites of major football factories.

The president of the school in question might feel that his particular coach is slightly sub-human and long desperately to dispense with his services, but he will in all probability keep it to himself. But once let that local "first down" club decide that it has a clunker on its hands and you're looking at a coach who's in trouble. Coaches who have undergone the treatment and given up the profession in favor of something less wearing, have written of their experiences in bitter detail.

And so, it is with the keen emotion of an explorer who has just dug up a pharaoh's pleasure yacht that we can report the discovery of a football eating and oratorical club which doesn't even have a coach to gnaw on, but which gathers itself together just for the pure hell of it, and because it loves football.

This organization is the San Antonio Quarterback Club. It has more than 400 members, with a waiting list. Each member pays in advance, in a lump sum, for the privilege of sitting down once a week for 15 weeks each fall and wondering what he is going to see and hear. All he knows for certain is that it will have to do with football, and he is happy.

There is no major football school closer than the University of Texas, and that is more than 80 miles away. The club's nominal toastmaster and guiding spirit is Harold Scherwitz, who for going on 38 years has been the sports editor of the San Antonio Light.

The principal characteristic of the Quarterback Club, which now is in its seventh lively year, is the fact that, under the Scherwitz influence, it has proved that football can be fun. That was, of course, the original purpose of the game, but few are old enough to recall it. They say that scarcely a fan leaves a quarterback luncheon with the heartburn, no matter how his own particular Southwest Conference team came out the previous Saturday.

Mostly the club features one of the seven conference coaches at its weekly meeting. They are happy to answer a Scherwitz summons, we hear, because there are 17 high schools within the city and its environs, and all of them turn out football players who might prove useful.

On the Monday after the conference race closed last year, all seven head coaches showed up at the Quarterback Club at one time. Each was given a gift watch, a seat and a personal microphone, and then was encouraged by the toastmaster to say anything that came into his mind about his six fellow coaches and the race just ended.

"I only wish you could have heard it," says Scherwitz, happily.

Kluszewski May Be On Way To Record

By JOE BRADIS
PITTSBURGH (AP)—Every time big Ted Kluszewski, the muscle man of the Cincinnati Reds, bangs out a home run the fans in the Ohio Valley scream with joy.

Kluszewski, former Indiana University football star, leads the National League in roundtrippers with 48 and at the rate he's going they might have to make room in the record books.

The 24-year-old mark for National League home run sluggers is held by Hack Wilson of the Chicago Cubs. Wilson belted 56 in 1930. Wilson walloped his 48th in the 139th game. Klus' got 48 in 143 games. He's also behind Babe Ruth's record of 60. The Bambino blasted his 48th in the Yankees 134th contest in 1927.

Eastern League

ALBANY, N. Y. (AP)—The Albany Senators today were within one game of eliminating Wilkes-Barre in the Eastern League playoffs, and turning the final round into a battle between the third and fourth place finishers in regular season play.

The Senators pushed ahead of the pennant-winning Barons three games to two in the best-of-seven series as they came up with three runs in the eighth inning last night for a 3-2 victory here.

Wilkes-Barre right-hander Jim Stump, who had blanked the Senators in the series opener last Wednesday night, tangled in a scoreless duel with lefty Duane Wilson until Albany combined a single and a double behind two walks to produce the runs.

Reading, which placed fourth in the regular season, clinched its berth in the final round Saturday night with its fourth straight victory over second-place Elmira. Albany finished third in the standings.

HUTCHISON WINS PHILADELPHIA OPEN GOLF TITLE

PHILADELPHIA (AP)—Ralph Hutchison of Bethlehem, the veteran Saucon Valley pro, finally captured his first major title in district competition yesterday with a par 142 over the tight 6,419-yard layout at Torresdale-Frankford Country Club to win the Philadelphia Open Golf championship.

The ex-Californian, who has finished among the top 10 eight times in the U. S. open, and has done as well in a number of other big tournaments, had never before been able to come through in local competition.

He shot a one over par 72 in the morning and came back with the one under par afternoon round to take top prize money of \$350 by three strokes from Hershey's Johnny Weitzel.

The field of 114 fought the exacting course through the morning and many quit before the tourney reached the halfway mark. Only 54 entrants finished the 36-hole grind.

Wins \$225 Prize
Weitzel posted a 2-under par 69 to lead the morning round and then shot a 76 in the afternoon for \$225 second prize money. His 145 was equalled by the top amateur of the tourney, Johnny Dniwski of Whitmarsh who shot a 74 and 71.

George Fazio of Pine Valley took \$140 for third place with a 77-69-145. He missed tying Weitzel for second place when he muffed a three-foot putt on the last green. Jimmy McHale and George Rowbotham, both of Arononink, tied at 148, a stroke ahead of pros Angelo Paul of Jeffersonville and Bob Hendrick of Indian Valley, who won \$87.50 each.

They were followed by Stan Dudas, Shawnee; Rod Munday, York; Sam Penecale, playing unattached, and Charles Lepre of Travistock, all of whom tied at 150 to take home \$37 apiece.

FIGHTING IRISH HEAD THE LIST

By JOHN CHANDLER
NEW YORK (AP)—Just like last fall when Notre Dame squeezed out a close decision over Oklahoma in their opening football battle, the Fighting Irish were voted the No. 1 college football team of 1954 in the annual pre-season Associated Press poll today.

Oklahoma's Sooners received the largest number of first place votes, 74 to 52 for Notre Dame, but the Irish got 18 more points. On the basis of 10 points for first, 9 for second, 8 for third, etc., Notre Dame received 1,449 points and Oklahoma 1,431.

A total of 171 sports writers and sportscasters voted in the nationwide poll, which will be followed by the weekly AP poll after the pigskin season opens Saturday.

Maryland, voted the No. 1 team at the end of the 1953 season only to be shut out 7-0 by Oklahoma in the Miami Orange Bowl, was ranked No. 3 in the pre-season calculations. The Terrapins got 13 firsts and 910 points to beat out Texas, with 10 firsts and 834 points. New York Add Football ratings N12 x x 834 points.

The ratings will get a quick test. Notre Dame opens its season Sept. 25 with Texas, while two weeks later Oklahoma and Texas do battle.

Maryland opens with Kentucky Saturday, then meets U.C.L.A. Oct. 1. Oklahoma also invades the West Coast to play California, ranked No. 12 in the pre-season dope, this Saturday.

The top 10 teams, with first place votes in parentheses, and total points, based on 10 for first, 9 for second, 8 for third, etc:

1. Notre Dame (52)	1,449
2. Oklahoma (74)	1,431

Athletics Purchase Negro Third Baseman

PHILADELPHIA (AP)—The Philadelphia Athletics recalled eight men and purchased a ninth yesterday from several of their minor league clubs.

The club said it had bought Hector Lopez, Negro third baseman, from Ottawa. Lopez hit .320 this season in the International loop. He is to report immediately.

Also to report at once on recall from Ottawa are Jack Littrell, shortstop who is hitting a .233 pace, and hurlers Ossie van Brabant (3-5), Lee Wheat (8-10), Art Dittmar (5-11) and Bob Trice (4-7).

Second baseman Tom Giordano and pitchers Hal Raether and Ed Monahan all from Savannah in the Sally League, will report in the spring along with catcher-third baseman Harry Minor, on option to Birmingham.

During the first half of the current American League campaign 10 rookie pitchers scored victories. Dean Stone of Washington was the freshman leader with a 7-1 record.

MARY L. FAULK LEADS FIELD IN WOMEN'S GOLF

By HUGH FULLERTON JR.
PITTSBURGH (AP)—You can't improve on perfection.

That's why defending champion Mary Lena Faulk of Thomasville, Ga., Mrs. Carmen Baea Castex de Conen of San Andres, Argentina, and Barbara Bruning of Armonk, N. Y., were standouts today as the talent-loaded field went into the second day of the Women's National Amateur Golf championship.

Miss Faulk, playing rather poor golf, achieved perfection in one way when she won 10 straight holes to beat Mary E. Nelson of Manos, Pa., 10 and 8 in yesterday's first round at the Allegheny Country Club at suburban Sewickley.

That's a record that can't be beaten in an 18-hole match. It hadn't been done in the women's championship since 1938, when Patty Berg won 'em all. And as far as the old-timers could remember that was the only other victory of its kind. But yesterday two others almost equaled it.

Wins First Nine
Mrs. De Conen, the short Argentine woman with the long name, won the first nine holes from Mrs. Nancy Lewis of Warren, Ohio. At this stage Mrs. Lewis was ready to walk off the course and concede, but she was prevailed upon to play the 10th and got a half in bogey sixes.

Miss Bruning, a freckle-faced girl who wears a Wellesley blazer around the clubhouse, won nine of the first 10 from Mrs. Maitland Alexander of Sewickley, but a half on the third spoiled her perfect record.

The general viewpoint of boxers, managers, trainers, and promoters was more of less summed up by Charley Johnston, manager of champions Archie Moore and Sandy Saddler.

Most Expect KO By Rocky
"I think Charles will tear out and try for a quick knockout," said Johnston. "He'll probably shoot the works in an effort to cut Rocky's eye like he did in the first fight and try to put him away. You remember he did jar Marciano a couple of times early in the fight."

"If he doesn't get Rocky in six, he's going to get flattened himself," said Johnston.

The majority opinion, too, was that if there was going to be any flattening, Rocky would be the guy to do it.

Not On Home TV
Rocky contained himself with some light exercise and road work yesterday. Both left their Catskill Mountain training camps today and went into seclusion in New York.

With the fight close at hand, there was a reported spurt in betting, mostly on a knockout. The odds are 5-12 that Rocky stops the 33-year-old ex-champion.

There will be no home television of the fight.

The St. Louis Cardinals have played eight rookies this season. Six are still with the club.

Jim Davis, rookie pitcher with the Chicago Cubs, had a 14-6 record with Scranton in the Eastern League in 1948.

GETTYSBURG NEWS & SPORTING GOODS
51 Chambersburg St. Gettysburg, Pa.
Open 6:30 A.M. till 10:30 P.M., 7 Days a Week

There will be three Adams County scholastic football teams in action this week as the 1954 season begins to pick up full steam.

Joining Gettysburg and Delone, who opened their campaigns last week, will be Littlestown who clashes with West York on the latter's field Saturday in a Laurel Conference game.

Gettysburg and Delone will meet in their 14th annual game on the Warrior's gridiron Friday evening at 8 o'clock.

Both teams began preparations for the game Monday afternoon when coaching staffs reviewed the mistakes of their charges in last Friday's games. The Warriors bowed to Westminster 19-14 while Delone was edged by Hanover 27-18.

Delone's brilliant play against the Nighthawks presages a busy evening for Gettysburg. Coach Eugene Bonelli's outfit "threw the book" at Hanover and nearly upset the dope. The Squires used a wide variety of formations including the single wing, tight and split-T attacks which means the Warriors must be set for anything.

The inexperience of the Gettysburg team showed from time to time last week but a number of the sophomores and juniors displayed surprisingly good form and should improve as the season progresses.

Since the inception of the Gettysburg-Delone series in 1939, there have been 13 games played with Delone holding an 8-9 edge. The Warriors have won the last four times.

BRITAIN, FRANCE AND U.S. OFFER UNITED FRONT ON W. GERMANY

By JOHN M. HIGHTOWER
WASHINGTON (AP)—The United States, Britain and France presented a united front to Russia today on rearming West Germany even though they still are divided and uncertain over how to solve the critical problem.

What was regarded as Russia's latest move to sidetrack German rearmament and exploit Western confusion over the collapse of the European Defense Community project was rebuffed on Friday by the three Western Powers in a dedicated firm notes.

Russia had called for a Big Four foreign ministers meeting right away to set up a Europe-wide security system it had suggested as an alternative to the new defunct Western plan for integrating West German troops in a European Army. The Soviets suggested the Big Four ministers might at the same time tackle outstanding German problems.

Identical Notes
In virtually identical notes made public last night, the Western powers told Russia a foreign ministers meeting would do no good unless the Soviets were willing to sign an Austrian independence treaty and agree to the unification of Germany by a process beginning with free elections.

They thus demanded that the Soviet Union reverse itself on two major points — and no one really expected the Russians to do that. Russia was told security in Europe cannot be brought about by the signature of a general treaty of the kind proposed by the Soviet government — a treaty that would embrace communist and free nations alike.

Real security can only result,

the notes said, from solution of specific problems "of which the most pressing" are German and Austrian treaties.

Furthermore, Russia was told the West will not consider modifying or abandoning the North Atlantic Alliance which the United States Britain and France said was set up to defend the Western nations "against the threat created by the establishment since 1945 of a heavily-armed Soviet grouping in Eastern Europe."

NATO was described by the Western Powers as purely defensive and they rejected the Russian charge that it is "an aggressive military grouping."

Replying To Red Note
The West told Russia she could make a substantial contribution to European security by joining in efforts toward "an acceptable and effective agreement" on disarmament and the abolition of atomic and hydrogen weapons.

The Western notes were in reply to formal Soviet proposals July 24 and Aug. 4 for a European security conference and a Big Four foreign ministers meeting.

On Thursday the Soviet Foreign Office issued a lengthy new statement contending that German rearmament would mean a greater threat of war and would keep Germany divided indefinitely.

Capitalizing On Confusion
That statement was seen here as an effort to capitalize on confusion and uncertainty in the Western camp following French Assembly rejection of EDC. This French action has left Western governments without any alternative device for arming West Germany.

In this connection, considerable American attention was focused on British Foreign Secretary Anthony Eden's tour to West European capitals beginning today. Eden will talk with government leaders in Belgium, Holland, Luxembourg, West Germany, Italy and France — the countries that were to have formed EDC.

EX-PRESIDENT OF GUATEMALA GOES TO MEXICO

MEXICO CITY (AP)—Ex-President Jacobo Arbenz Guzman of Guatemala flew into Mexican exile Friday as threatening crowds screamed "Assassins! Criminals! Genocides!" at his departure from his homeland.

The chief of Guatemala's ousted pro-Communist regime landed here before dawn in a special Mexican plane. He was accompanied by his wife, their two young sons and 17 of his supporters.

All had been refugees, with hundreds of others, in the Mexican embassy in Guatemala since the forces of Lt. Col. Carlos Castillo Armas forced Arbenz out of office June 27.

Castillo, now Guatemala's president, finally granted the refugees safe conduct permits out of the country in accordance with the traditional Latin-American right of political asylum. But the new Guatemalan regime announced it would seek the extradition of those wanted for numerous murders, tortures and other crimes it has laid to the former government.

Associated Press Correspondent Alvaro Contreras reported from Guatemala City that strong conditions of military police were needed to protect Arbenz from the large and angry crowds which gathered last night, first at the Mexican embassy and later at the airport.

The ex-president and his party were spirited out of a back door and taken safely to the airport by a circuitous route.

At the airport, the Guatemalan customs officials forced the ex-president to undergo as they made a thorough examination. Arbenz met this with angry glances but otherwise did not say a word before he boarded the plane.

Among those accompanying him into exile were Jose Manuel Fortuny, secretary of the Guatemalan Communist party, and Col. Carlos Enrique Diaz, ex-chief of the armed forces who had taken over the government for 34 hours after Arbenz resigned.

After the plane's departure, the crowd surrounded Mexican Ambassador Villa Michel and members of his staff, shouting "Communists!" The Mexicans were rushed to their cars by a large military escort and back to the embassy.

26 Westinghouse Plants Get Raise

PITTSBURGH (AP)—A new two-year contract, signed three hours before a midnight deadline, is in effect today for members of the CIO International Union of Electrical Workers at 26 Westinghouse Electric Corp. plants across the country.

The agreement grants wage and salary increases of "approximately five cents an hour" and improved pensions to 42,000 union members, the corporation said. Rates under the old contract were not revealed.

The wage hikes are retroactive to July 1, the day the old contract expired. The agreement is in force until Oct. 15, 1956. A re-opener clause permits 30 days of bargaining on wages between Sept. 15 and Nov. 15, 1955.

Salaried employees represented by the union will get raises of \$1.40 to \$2.80 a week. The corporation said raises for hourly employees range from 3 1/2 to 7 cents an hour.

FALSE WHISKEY LABELS BRING PROSECUTIONS

BELGRADE, Yugoslavia (AP)—Some of Yugoslavia's alcohol distillers have their own hangover now. The government has begun prosecution of those among them who have been peddling their wares under British labels describing the contents as "Scotch."

They have been selling this stuff at rates lower than the imported variety.

"Whisky" labeled as American has been put on the market at prices which would afford the pride of a Prohibition run runner in the United States. So would the contents.

An English diplomat with a hangover, after buying a bottle of the ersatz cheer, lodged a formal complaint. So did an American who protested that Yugoslavia's own brandy was preferable. He added he was a Southern Democrat who had nothing against "stump" whisky but that he wanted it smooth.

The official Yugoslav press reported the fraudulent distillers would be visited with "severe punishment." One sidewalk wag suggested "proper punishment" might require them to drink their own brew.

DENVER (AP)—President Eisenhower said Monday the National Security Council has reaffirmed American policy of defending "the vital interests of the U.S. wherever they may arise."

The President made the statement to newsmen in discussing an extraordinary session of the Security Council at the summer White House yesterday.

SAYS PIKE MEN PRESSURED INTO COMPANY UNION

HARRISBURG (AP)—An American Federation of Labor union leader said the Pennsylvania Turnpike Commission is "pressuring" its toll collectors to join a company union.

Robert A. Callahan, international representative of the American Federation of State, County and Municipal Employees, said:

"An officer-collector for the turnpike has been travelling the road on company time to sign up other collectors."

T. J. Evans, commission chairman, had wired Callahan's organization that the commission recognizes only the Pennsylvania Turnpike Officer-Collectors Assn. as the "collective bargaining representative" of turnpike employees.

He was not available for comment on Callahan's charge Thursday of commission pressure on employees to join the association.

Callahan said the AFL group was organized last October, while the Officer-Collectors Assn. was set up the following month as a means of countering an AFL membership drive.

No Bargaining Agent
He said no election of a bargaining agent for turnpike employees has ever been held.

Under a 1947 state law, he said, no such election could be held for state employees. The AFL group considers turnpike workers state employees.

On Sept. 3, Callahan sent Evans a telegram asking that a grievance committee of Local 1216 meet with the commission to discuss grievances in an "informal way."

Under state law, the group could demand that a panel be appointed to hear the grievances, he said.

Objectives of the union, he said, are a 40-hour work week, wage adjustments. Men on lower pay-scales at present are required at times to fill the post of more highly paid toll collectors—an inequity which should be adjusted, he added.

MOUNT AIRY, N.C. (AP)—It's okay to smoke around Paul Flynn's cow.

The cow got into a tub of kerosene yesterday and drank three to five gallons. Veterinarian H. C. Jackson said: "She's saturated, but there's no danger of an explosion."

Junior At Temple Wins Queen Title

ASBURY PARK, N. J. (AP)—A 19-year-old brunette from Philadelphia today held the title of National College Queen—and the \$5,000 in prizes and scholarships that goes with it.

Ginger Steen, a junior at Temple University, won out over 26 other contestants Sunday night for the national crown, judged on a basis of beauty and brains.

Ginger stands 5 feet 8, tips the scales at 135, has a 36-inch bust, 24-inch waist and 36-inch hips.

Each of the contestants received enthusiastic ovations as they paraded in bathing suits, shirts and shorts, and evening gowns before a crowd estimated at 2,500 in Convention Hall.

LEADER WANTS DEBATES WITH HIS OPPONENT

OIL CITY, Pa. (AP)—State Sen. George M. Leader, Democratic candidate for governor, Monday invited his Republican opponent to a series of man-to-man television debates.

In a speech prepared for campaign appearance here, addressing Lt. Gov. Lloyd H. Wood, the GOP candidate, Leader said:

"Let each man speak for himself without any standings. Since there isn't much fun in a one-sided argument those who aren't political lions should black him out (on television) in favor of something more entertaining. A real debate, between genuine candidates representing opposing parties would

be something else again."

"Today all that is changed. A candidate stands before a camera and presto, he is in our living room."

Age Of TV
He added that for 20 years the Democratic party has been extending debate invitations to Republican candidates "who have been uniformly reluctant to accept. However, this is the age of television and perhaps that will lead them at last to change their minds."

"This is a fair and sporting proposition and I hope my opponent will be inclined to accept it," Leader declared.

In a weekend statement issued at Harrisburg, Leader described the Republican party of Pennsylvania as riddled with what he called political raiders.

"Mr. Wood should promptly take a hand in cleaning out the Republican stable of its tax refund manipulators, warehouse specialists, contract peddlers, big time contractors, bonding and insurance ex-

BROTHERS HURT BY PROPELLER

BRISTOL, Pa. (AP)—A 5-year-old boy was injured critically yesterday when he and his brother were knocked to the ground by a spinning propeller in nearby Eddington.

Brian J. Temme, 5, Philadelphia, was taken to Bristol General Hospital and later removed to St. Francis Hospital, Trenton, N. J., for an emergency operation. It was reported he suffered skull fractures. He was reported "much improved" Monday after the operation.

His brother Carl, 4, was released after treatment at the Bristol hospital.

The two boys, with an older brother, Matthew, 6, had taken a ride in a Taylorcraft monoplane piloted by Helen Kepler, a neighbor of the Temme family.

She told state police she took off again after returning the youngsters and had just turned off the engine after landing when the two younger boys ran toward the plane.

Brian apparently was struck by the full force of the propeller blade, while his brother was only grazed. Carl was treated for lacerations of the head and left shoulder.

The accident occurred within sight of the boys' parents, Gerard, 36, and Katherine, 32.

U.S. Steadily Increases Its Arsenal Of Atomic Weapons

WASHINGTON (AP)—Chairman Lewis L. Strauss of the Atomic Energy Commission says the United States has many more atomic weapons in its arsenal than it did a year ago.

Strauss was tight lipped Thursday when reporters sought to find out about U.S. and Russian progress in the atomic arms race.

The AEC chief told a news conference this country has "more weapons, by a wide margin, than we had a year ago" and he said the production rate is mounting rapidly.

But when asked whether the United States has any new weapons, Strauss would only recall that he had said a spring series of weapons tests in the mid-Pacific "were very fruitful."

A newsman asked if there had been any new Soviet atomic blasts since the United States announced detection of a Russian test about a year ago. After some thought, Strauss replied: "That is a field where I ought not to answer." He cautioned newsmen not to "draw any inferences" from his reply.

On other matters, Strauss said: 1. A controversial contract with a private combine, the Dixon-Yates group, to furnish power to the Tennessee Valley Authority area probably will be signed within two weeks.

Eisenhower's directive to the AEC to negotiate that contract with the Dixon-Yates group kicked up a furor in the closing days of the congressional session. Democratic National Chairman Stephen A. Mitchell has kept the issue alive by claiming the Dixon-Yates group got preferential treatment.

2. Despite reports that atomic scientists were aroused over the

Mr. and Mrs. Howard Smith, Pinksburg, and granddaughter, Westminster, visited Mrs. Margaret Haines and daughter, Mary, Friday evening.

Mrs. Nevin Ridinger and daughter, Ruth, Mrs. Harry Sprinkle and Atwood Hess spent Thursday in York.

Mrs. George Bower has accepted a position at the Windsor Shoe Factory.

Mrs. Margaret Haines is reported improved and is able to sit up a part of each day.

During the 1953 season the Cincinnati Redlegs played 77 road games and hit 77 home runs in opposition ball parks.

Queen Mother To Visit U.S., Canada

LONDON (AP)—Queen Mother Elizabeth II will arrive in New York Oct. 26 for her three-week visit to the United States and Canada.

She will sail from London Oct. 21 aboard the liner Queen Elizabeth, which she launched in 1938. Her plans were announced last night from her Clarence House residence.

The 53-year-old mother of Queen Elizabeth II will be the guest of President and Mrs. Eisenhower at the White House Nov. 4-6. She also will attend a convocation in New York celebrating Columbia University's 200th anniversary and a dinner given by the English Speaking Union in New York.

She will go to Ottawa Nov. 12 and sail back to Britain from New York aboard the Queen Mary on Nov. 18.

ANOTHER PIKE LINK

HARRISBURG (AP)—Bids on construction of another 5.06 miles on the Northeastern Extension of the Pennsylvania Turnpike will be received by the Turnpike Commission on Oct. 7.

The stretch will run through parts of Salford Twp., Montgomery County, and West Rockhill and Milford Twp., Bucks County, bringing to 52.88 miles, or almost half of the extension, under contract, awaiting award or under invitation for bid.

DR. HOEHNER RESIGNS

The state post in the State Department of Health pays \$8,352.10, \$260 a year.

CALIFORNIAN WINS TITLE OF MISS AMERICA

By JAMES F. TOMLINSON

ATLANTIC CITY, N.J. (AP)—A long-stemmed beauty from California, in the crown and robes of a queen, embarks today on a year-long whirlwind tour as the 1955 Miss America.

Nineteen-year-old Lee Ann Meriwether of San Francisco, who wants to be an actress and says there's no special boy friend in her life right now, is modest about her figure.

But the pageant judges, who selected her from among 49 other charmers Saturday night, were more enthusiastic over Lee's measurements — which shape up this way: Bust 34½, waist 22 and hips 35.

No Romance

In her first interview with newsmen Sunday, Lee confided that she didn't think she'd give Marilyn Monroe much competition and that the new "flat" look by Dior "came just in time to save me."

As for romance, Lee said "there's no one special" and that she only had "some very good friends."

Lee, unsmudged and stately, wept freely as she donned the Miss America robe and crown before a national television audience and a Convention Hall crowd of 15,000 Saturday night.

One of her first thoughts was of her late father, Gregg Meriwether, who died last July. In a tearful speech of thanks, Lee glanced toward the high ceiling of the hall and said quietly: "Daddy, I hope you know and I hope you're proud."

Lacked College Funds

She said her father "wanted me to go to Stanford and be an actress."

But there wasn't enough money for Stanford, so Lee went to the City College of San Francisco. Money now won't pose too much of a problem, for Lee will receive about \$40,000 in public appearance fees, in addition to a new car, furs, jewelry and other prizes. All told, Lee's winnings total almost \$60,000.

Lee left Sunday night for a two-week stay in New York, where she'll make a round of appearances. Then she'll be off to South America for 15 days.

BAD GLEICHENBERG, Austria (AP)—If a cock crows at sunrise in this Austrian health resort, he's to be thrown out of town on orders of the city fathers.

Doctors in Bad Gleichenberg, which attracts sick people who drink its mineral-rich waters, claim silence is about half the cure for most diseases. A statue of Harpocrates, the god of silence, stands prominently in a city park.

The city administration recently put its ban on noisy birds and other noises.

The beating of carpets is limited to certain hours. Motorists are not allowed to blow their horns. Visitors arriving on motorcycles have to check them immediately in free garages and hand over the keys to the city administration until they leave again.

ADENAUER FOES MERGE IN KEY VOTING ABROAD

KIEL, Germany (AP)—A political riftide menaced Chancellor Konrad Adenauer and his pro-American foreign policy today as his Socialist foes merged as the strongest party in a key state election.

Although the coalition headed by Adenauer's Christian Democratic Union appeared sure of holding control of the government in the Soviet Zone frontier state of Schleswig-Holstein, the Socialists' 12,000 vote lead in Sunday's balloting was seen as a clearcut exposure of the old leader's suddenly dwindling popularity.

The rural state—called the "poor house of the Bonn Republic"—rebuffed the 78-year-old Chancellor's plea for a vote of confidence in electing its new Lantag (State Parliament).

Campaigning for overtures to Russia to unify East and West Germany, the Socialists outscored the Christian Democrats in the same state that accorded the CDU a 2-1 margin over its arch rival last year when Adenauer was re-elected Chancellor.

In today's final count, the CDU trailed the Socialists 384,870 to 398,798.

The CDU's vote was cut almost in half from its 1953 peak of 637,570 in Schleswig-Holstein. The Socialists picked up 38,269 votes over last year's total of 357,798. Adenauer fought to save his in-

TYPHOON JUNE LEAVES 9 DEAD IN SOUTH JAPAN

TOKYO (AP)—Violent Typhoon June cut a 300-mile wide path of death and destruction across the southern Japanese mainland Monday.

At least nine persons were dead, eight missing and 5,366 homeless, Kyodo News Service reported.

The storm slammed into teaming Kyushu Island with winds up to 110 m.p.h. Winds slackened to 90 m.p.h. as the typhoon roared inland.

Three southern Kyushu cities, lashed by an 88 m.p.h. wind, tidal waves and cloudburst rains, were evacuated. They are Miyazaki, with 120,000 residents; Miyakonojo, 75,000; and Nobeoka 88,000.

The newspaper Yomiuri said a flash flood may have virtually wiped out Miyakonojo. The storm paralyzed communications in the area.

The U.S. Air Force said the storm center, lumbering northeastward at 17 m.p.h., would move across western Honshu and into the Sea of Japan today.

Its present course would carry the storm through Hiroshima, but it would miss the populous centers of Osaka and Tokyo.

Weather experts described the storm as even more powerful than the 1934 typhoon Muroto, worst in Japan's history. Muroto killed more than 2,000 people and demolished 40,000 homes.

GOP BACKING SALES TAX AS "ESSENTIAL"

PITTSBURGH (AP)—Republican state candidates—their sights set on the November general election—hit the campaign trail today staunchly backing a one per cent sales tax which is under Democratic fire.

The GOP platform, approved Saturday, shoved the tax issue head-on into the gubernatorial contest by calling it the only fair means of raising needed money for the public schools system.

Only a short time before the Democrats—out to seat a governor for the first time in 12 years—promised voters the sales tax act would not be renewed when it expires next Aug. 31.

The Republicans began defense of the year old tax act and Gov. John S. Fine's administration at a campaign rally today in Butler County. Lt. Gov. Lloyd H. Wood, seeking to succeed Fine, headed the speakers.

Approves Platform
Wood stepped to the rostrum Saturday to tell the GOP State Committee he wholeheartedly ap-

proved the platform which included support of the sales tax and asked the Democrats:

"How else would the money be raised?"

The platform contained 12 planks which were spelled out in 15 printed pages containing more than 2,000 words. Defining the sales tax stand, the platform stated:

"To meet the commonwealth's obligation to the school children of Pennsylvania, an emergency sales tax was enacted with the specific provision that its revenue be used for the payment of the rising costs of our public school system and for no other purpose.

"As long as it is found that the sales tax is necessary to maintain our public school system, it will be continued."

WASHINGTON (AP)—Brig. Gen. Ralph W. Zwickler swore Monday he had no recollection of muttering at a public hearing in New York City that Sen. McCarthy was an "S.O.B."

And Zwickler, testifying before the Senate committee considering charges against McCarthy, insisted he was acting under explicit orders when he handled an honorable discharge for Maj. Irving Peress. Peress is the army dentist McCarthy has described as a Fifth Amendment Communist.

ADVERTISE IN THE TIMES

LEGLESS WOMAN EDITOR ON JOB

LOCK HAVEN, Pa. (AP)—A huge vase of orange gladioli blocked a clear view of the face behind the desk but co-workers at the Lock Haven Express knew their editor was back to work.

For the first time in over eight months Rebecca Gross, one of Pennsylvania's best known newspaperwomen, was on the job after an auto accident that cost her both her legs.

Appropriately enough the first thing she wrote was an editorial for Monday edition titled "Back on the Job."

"This is a happy day," she wrote. "Being able to forsake the atmosphere of hospitals for the bustling busy and stimulating atmosphere of the city room is the realization of a dream long deferred."

The 49-year-old editor, wearing a bright red and black striped blouse with a gray skirt, was at the wire desk at one end of the Express newsroom when other employees reported for work this morning.

Soon staff members were streaming to her desk offering good wishes on her return. A box of candy, was presented her by one staff member.

She began work, near the telephone rooms, using two canes to help her get to the machines and to the air tubes to send copy back to the composing room.

Miss Gross drove back from the Kessler Institute for Rehabilitation at West Orange, N. J., on Sunday in her own specially equipped car. With her was a friend, Ann Garth of Williamsport.

Staff members said she looked "extremely well."

LEADERS VISIT QUEMOY ISLAND

TAIPEH, Formosa (AP)—Nationalist China's Vice President Chen Cheng and Defense Minister Gen. Yu Tai-wen Monday visited Quemoy, strategic Nationalist outpost island which is almost within the shadow of the Red Chinese mainland.

The Harvard-educated defense minister arrived only Sunday from Washington to assume his post.

The visit came as Nationalist ships and planes continued their daily bombardment of Red positions on neighboring Amoy and on Communist military craft off the Fukien Province coast.

The Defense Ministry said Nationalist big guns on Quemoy pounded Tateng island, 12 miles off Quemoy's north coast. Tateng is the nearest Red held position to Quemoy.

The ministry announced Nationalist warships established a 160-mile patrol and hammered the Tungshan peninsula, 70 miles south of Quemoy, with gunfire. The patrol extended from Swatow, 125 miles southwest of Quemoy, to Chinchu Bay, 35 miles northeast.
